This letter is in response to your letter of April 28 regarding the Year End Report for Green Mountain PAC covering 7/1/05 to 3121/05.

The contribution to Welch for Congress was incorrectly coded to the primary election. The contribution was for the general election and has been corrected on the amended report being filed today. The amended report also includes corrected numbers for cash on hand.

All fundraising costs are for general funding of the PAC and not for any specific candidate. The Committee has no intention of raising money for a specific candidate, but if that policy changes the cost will be duly noted on the appropriate lines.

If you have additional questions, please contact me.
